Binary Group Participates in 8th Annual Belvoir Industry Days

Supporting PEO EIS Industry Days since its infancy.

Arlington, VA, *March 31, 2010* **–** As an avid supporter of the Army's mission and the Armed Forces Communications and Electronics Association (AFCEA), it is no surprise Binary Group exhibited and had a corporate contingent at the recent AFCEA Belvoir Industry Day held at the Gaylord Resort, National Harbor, MD.

Industry Days 2010 encompassed the Army's Program Executive Office – Enterprise Information Systems (PEO-EIS) aspect of Fort Belvoir and various commands. As a PEO-EIS Program Management Support Services-2 (PMSS2) prime contractor, it was a great opportunity for Binary's staff and Binary's young AFCEANs to support, learn more, and gather intelligence about the future Army.

About Binary Group

Headquartered in Arlington, Va., Binary Group Inc. serves mission-driven leaders with enterprise-level responsibility in information technology by providing best value, strategic IT program support services that are free of organizational conflict of interest (OCI). Binary delivers strategy, architecture, governance, engineering design, and related management and planning to federal government customers including U.S. Army, U.S. Navy, U.S. Air Force, Office of Secretary of Defense, Army Corps of Engineers, and Defense Information Systems Agency (DISA). Binary ranked #5 as the Washington Business Journal's Top 50 Fastest Growing Companies in the Washington DC Metropolitan area in 2007. Binary is the four-time recipient of the *Washington Technology* (WT) Fast 50 award since 2005. Binary has been ranked as part of the Inc 500. Binary is employee and customer-centric and is a great place to work and play.
